Examiner's Statement of Reasons for Allowance

1. Claims 1-35 are allowed.
2. The following is an examiner's statement of reasons for allowance: It is not found in prior art in a ranging and positioning system that measures a distance between two radio sets which send and receive packets to and from each other wherein a time period is measured regarding the transmitting and returning of packets between the two radio sets such that a integral multiple of a prescribed unit time is subtracted from the round trip time period such that the distance is determined between the sending and receiving radio sets.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
